

April 2010 Update to AEA Documentation Guide

Topic (manual pages)	Notes
Logo (various pages)	<p>The <i>AEA Special Education Procedure Manual</i> and the <i>AEA Special Education Documentation Guide</i> detail the procedures that the AEA's follow to implement IDEA and its regulations and the Iowa <i>Administrative Rules of Special Education</i>. The Iowa Department of Education (DE) logo that appeared on many forms gave the appearance that the procedures were DE procedures.</p> <p>This update replaces the DE logo with the Iowa IDEA logo on all forms. This change has also been made to forms accessed through the Web IEP.</p> <div data-bbox="873 821 1162 1016" data-label="Image">The logo features a dark grey silhouette of the state of Iowa. Inside the silhouette, the words "Iowa" and "IDEA" are stacked vertically in a bold, white, sans-serif font.</div> <p>No other changes were made to the <i>AEA Special Education Documentation Guide</i>. The text, form language and documentation formats are unchanged from the August 1, 2009 version.</p>
